**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I have switched my service from a large company to a small one in order to get the service I need. I live in a rural area and am not important to the larger company and couldn't get the support and service I needed. I don't want to lose this choice because if it hadn't been available I would be stuck with the high rates and zero tech support from the larger company.
